Rooted in Faith – Forward in Hope. We will take a few moments this weekend to conduct an in-pew opportunity for those who wish to contribute to the campaign but have not done so as yet. I fully realize many parishioners are not able to contribute due to economic circumstances. Please bear with us as we wrap up the campaign by next weekend. **PLEASE NOTE: Every pledge received this weekend will be matched dollar for dollar up to a total of \$200,000.00 thanks to a challenge gift from a parishioner.**

An Evening of Inspirational Music: We will celebrate the spirit of the Thanksgiving season on Thursday, November 10th, at 7:00 p.m., with a program of music, Scripture, witnesses and liturgical dancing. The program is free. Invite your family members and friends. Refreshments will be served.

Statement on Respect Life Month by Cardinal Daniel DiNardo, Chairman of the Committee on Pro-Life Activities, U. S. Conference of Catholic Bishops. (Continued)

“Preventive services are aimed at preventing diseases (e.g. vaccinations) or detecting them early to aid prompt treatment (e.g. screening for diabetes). But pregnancy is not a disease. It is the normal healthy state by which each of us came into this world. Far from preventing disease, contraceptives can have serious health consequences of their own, for example, increasing the risk of acquiring a sexually transmitted disease, increasing the risk of breast cancer from excess estrogen, and of blood clots that can lead to stroke from synthetic progestin. Mandating such coverage shows neither respect for women’s health, nor respect for the consciences of those who do not want to take part in such problematic initiatives.

The “religious employer” exemption offered by the Department is so extremely narrow that it protects almost no one. Catholic institutions providing health care and other services to the needy could be forced to...cease serving the poor and vulnerable of other faiths.

Catholics must not shrink from the obligation to assert the values and principles we hold essential to the common good, beginning with the right to life of every human being and the right of every woman and man to express and live by his or her religious beliefs and well-formed conscience.

As Pope Benedict reminded us last year... “A society can be built only by tirelessly respecting, promoting and teaching the transcendent nature of the human person.” ... During this Respect Life Month, as we celebrate God’s great gift of life, let us pray and reflect on how each of us might renew our commitment and witness to ‘respecting, promoting and teaching the transcendent nature of the human person,’ thereby shoring up the foundations of a society sorely in need of guidance.”

Vocation View: In you, Lord, I have found my peace. Is the Lord calling me to be a peacemaker?

Some words to live by: “We cherish the firm conviction that the love of God, incarnate in Christ, is stronger than evil, violence and death.” (Pope Benedict XVI)

Some humor to survive by: An elderly man was stopped by the police around 1:00 a.m. and asked where he was going at that time of night. He replied, “I am going to a lecture about alcohol abuse and the effects it has on the human body.” The officer asked, “Really? Who is giving that lecture at this time of night?” The man replied: “That would be my wife.”

Mass of Remembrance

Our annual Mass of Remembrance for deceased parishioners who were buried this past year from St. Francis is this **Wednesday, November 2nd, at 7:00 p.m.** This is All Souls Day, the day the Church commemorates all of our faithful departed. We encourage and welcome all parishioners to come and join us in this beautiful celebration, and support in prayer those grieving the loss of a loved one. The names are listed in this week's bulletin. Please come and pray with us!

Book of Remembrance

Throughout the month of November, we invite you to write the names of your deceased loved ones in the Memorial Book, located in the Gathering Area of the church. During the month of November, the Catholic Church remembers in a special way the Faithful Departed. Confident that they now share the fullness of the resurrection in heaven, we lovingly remember their lives and continue to be embraced by their love.

Attention, Tuesday Clubbers!!

Come bring your can to our November gathering and help feed the hungry! We will have our next meeting on Tuesday, November 8, beginning at 11:30 a.m. in the Activities Room of St. Francis School. Sister Julianne and Meg Zetzer will give a presentation on the "New Roman Missal" to acquaint us with the changes we will be seeing when we come to Mass starting the first Sunday of Advent. Bring your brown bag lunch and we will have beverages and dessert. Also, if you are able, please bring a canned good or nonperishable food item that we will contribute to the food pantry to help feed those in need. We look forward to seeing you there!!

HOPE FOR THE HOLIDAYS

Hope for those grieving a loss

St. Francis of Assisi and St. Anselm parish communities invite those grieving a loss to an afternoon presentation, prayer and reflection on "Hope for the Holidays" on **Sunday, November 13th, 1:00-3:00 p.m. at the St. Anselm Hospitality Room in the School Building.** If you have lost a loved one in the past year, facing the holidays without your loved one can be challenging. Gentle suggestions for facing holidays will be shared. Give yourself the gift of this comforting afternoon. RSVP to Jean Fitzgerald at St. Anselm at 440-729-5130 or to Martha Stewart at St. Francis at 440-461-1494 by Wednesday, November 9. Anyone needing transportation can call as well. Please encourage anyone to attend who you think could benefit from this gathering. Persons do not need to be parishioners.

Transportation Available

We have a Transportation Committee that is part of our Wellness Ministry and coordinated by parishioner Charlie Castle. If anyone needs a ride to a doctor or hospital appointment or a ride to Mass, please call Martha or Roberta (461-1494) and Charlie will make arrangements to assist you **if possible.**

Priesthood Sunday

Catholics across the country will be celebrating Priesthood Sunday on October 30, 2011. It is a day set aside to celebrate the importance of the gift of priesthood in the life of the Church. It is a time for us to reflect on the ministry that our priests share with us when we gather at the Table of the Lord. Thank you Fr. Caddy and Fr. Franz for all that you do for the parishioners of St. Francis. We also pray that many of our young people will be inspired by your ministry and witness. May their hearts be open to hearing and responding to God's call in their lives.

Prayers for the Sick

Please keep the following members of our parish community in your prayers

James Monastra, Sean Barker, Maxwell Peppers, Frank Stanek, Ilona Paulin, Josephine DeMore, Candy Nelson, Marilyn DiCenzi, Lynn Avolio, Douglas Franz, Beatrice Bondra, Tom Shannon, Blanche Smyth, Rose Coletta Fraser

+ + + + +

One may request prayers for the ill (oneself or another) by calling the Parish Office and requesting the person's name be listed in the bulletin.

Please note that names will be published for two consecutive weeks. If you wish the name to be continued, you may call and renew the request. Please make certain that the ill person does not object to having his/her name placed in the bulletin

Cub Scouts with Rakes

Attention, seniors: the Cub Scouts will come to your home on Saturday, November 12th to rake leaves. Call Mike Redmond at 440-461-5595 to get on their schedule.

Help Wanted!

If you are a Eucharistic Minister and enjoy the Senior community, we need your help! Each Sunday, St. Francis provides a communion service to the surrounding senior high rises. We have a very dedicated but small group of ministers and could really use a few more people. We have plenty of resources to help and guide you. If you think you might like to do this, come and observe a service and you will be convinced! Call Martha at 440-461-1494 if you are interested. Thanks so much!

Warm Hands from Warm Hearts

Let's help keep everyone warm this winter!

Please donate new or gently worn hats, gloves, scarves and coats in any size. There is also a great need for snow suits and new socks. These items will be donated to local hunger centers throughout the holiday season. Your contribution can be made in the back of the church until December 6th. "If you make much, give of your wealth; if you have little, give of your heart" – unknown. For more information, call Sabrina at 440-376-0212 or Christine at 216-548-2630.

ACTION NEEDED

Please send an e-mail message to Health and Human Services by visiting www.usccb.org/conscience. Sample message: "Please remove sterilization and prescription contraceptives from the list of "preventive services" the federal government is mandating in private health plans. It is especially important to exclude any drug that may cause an early abortion, and to fully respect religious freedom as other federal laws do. The narrow religious exemption in HHS's new rule protects almost no one. I urge you to allow all organizations and individuals to offer, sponsor and obtain health coverage that does not violate their moral and religious convictions." Once you send your comments to HHS, you will be automatically invited to send a message to your elected representative in Congress, urging them to support the Respect for Rights of Conscience Act (H.R. 1179/S.1467) to insure that such federal mandates do not violate Americans' moral and religious convictions.
