

For those not familiar with our website scheduling capabilities:

Please login to the "Web Terminal" using the link:

<https://secure.rotundasoftware.com/l/web-terminal/login/stfrancisgm?>

and update your general information, service preferences and unavailable times. Please make sure that you enter all the dates for which you are not available between June 3 and October 1.

<https://secure.rotundasoftware.com/webterminal/myProfile.php?user=stfrancisgm>

Once you are logged in, you can click on the "Help" tab at the top of the screen to see [a short video](#) and [printable guide](#) that will explain step by step how to update your information.

If you have an iOS or Android device, you can download a free app that will make it easier to view your scheduled dates, request and accept subs, and update your profile from your mobile device! Follow these steps to get started:

Go to the [App Store](#) or [Play Store](#) on your device and download the "Ministry Scheduler Pro" app. Open the app and enter the following under Organization ID: **stfrancisgm**

Enter your Web Terminal Username and Password to log in.

Then, all you need to do is open the MSP app to see your scheduled dates, request and accept subs, and update your profile!

You must submit your updated preferences and availability for the next schedule (June 3 to October 1) by Monday, May 1 in order for them to be considered.
